All parts of the assembly kit are soft and safe, filled with foam certified for use in products for children.

The foam blocks are upholstered with high-quality artificial leather (DZ-L,PU, DZ-XL,PU) or fabric (DZ-L,Fabric, DZ-XL,Fabric); the colours of individual blocks are random and cannot be influenced. We choose combinations of colours with regard to aesthetics and colour balance of the whole and it always contains 5 or 6 matching combinations of colours.

The kit is suitable for schools, kindergartens, after school clubs, free-time clubs, corporate playrooms, etc.

The Block foam assembly kit is part of our effort to minimise waste material in the spirit of Zero Waste.
